What are LIFE Groups?

Small groups of people, developed around the interest of the leader. Created with a multitude of topics and interests, to meet the felt needs of people attending. LIFE Groups will meet on a regular basis, where relationship and accountability will develop.

LIFE Groups...

Learning Groups...

...gather together to study and interact with each other on what they have learned. These groups may be Bible studies, book studies, topical studies, leadership training, new believers, and more!

Interest Groups...

...are formed to allow the unique giftings and interests of people to be expressed, such as sports, auto mechanics, computer training, baking, sewing, knitting, and more – if you can dream it, it can become a reality!

Fellowship Groups...

...meet together to encourage each other, and build up the body. These groups are not Bible studies, but there may be times of prayer for each other. These groups may be developed based upon geographic area, life situation, age group, etc.

Experience Groups...

...allow individuals of common calling and gifting to gather together for ministry and outreach. A wide variety of Experience Groups will be developed, including Intercessory Prayer, Worship "Unplugged", Nursing Home Ministry, Visitation Ministry, and more!
