March through May 2008

WHAT ARE LIFE GROUPS?

Small groups of people who gather together on a regular basis. Each LIFE Group has been created with a special and individual topic and interest, and one is sure to be just right for you! In each LIFE Group, you can be sure that you will develop special relationships and experiences that you will treasure for a life time!

LIFE Groups are divided into four categories – Learning groups, Interest groups, Fellowship groups, and Experience groups. Descriptions for each group, as well as the meeting time and location are found below. To become a part of any group, just contact the LIFE Group leader at their phone number or email address.

LEARNING GROUPS...

...gather together to study and interact with each other on what they have learned. These groups may be Bible studies, book studies, topical studies, leadership training, new believers, and more!

INTEREST GROUPS...

...are formed to allow the unique giftings and interests of people to be expressed, such as sports, auto mechanics, computer training, baking, sewing, knitting, and more – if you can dream it, it can become a reality!

WHAT ARE LIFE GROUPS?

FELLOWSHIP GROUPS...

...meet together to encourage each other, and build up the body. These groups are not Bible studies, but there may be times of prayer for each other. These groups may be developed based upon geographic area, life situation, age group, etc.

EXPERIENCE GROUPS...

...allow individuals of common calling and gifting to gather together for ministry and outreach. A wide variety of Experience Groups will be developed, including Intercessory Prayer, Worship "Unplugged", Nursing Home Ministry, Visitation Ministry, and more!

Concerning Child Care

To check on the availability of child care during any of the LIFE Groups, please directly contact the leader of the group. Also, if you are interested in providing child care for any of the LIFE Group meetings, please contact the leader of the group.
